

Canada's Favourite HouseWrap.

WOVEN

HOMEGUARD® HOUSEWRAP

WHY CHOOSE US?

Our HomeGuard® Housewrap is CCMC Certified, as a sheathing membrane. The value of HomeGuard® Housewrap products goes beyond what any competition will be able to offer. HomeGuard® supports and promotes the businesses of our customers by providing low minimum order requirements, short lead times, industry-leading warranties, and extremely competitive pricing!

ROLL SIZE & MINIMUM ORDER QTY. *ADDITIONAL SIZES AVAILABLE UPON REQUEST.

- 3' x 100' - 90 ROLLS/PALLET
- 4.5' x 100' - 128 ROLLS/PALLET
- 9' X 100' - 82 ROLLS/PALLET
- 10' X 100' - 82 ROLLS/PALLET

PRIVATE LABEL

Custom printing of our well-known and well-respected HomeGuard® Housewrap with a minimum order of 1 pallet. If your building project needs custom print, contact us for an order tailored to you and your individual needs.

Private labeling ensures you and your contractors can showcase your brand and optimize the marketing potential in your region.

LIMITED LIFETIME WARRANTY

If all HomeGuard® Products are installed on the entire envelope of the Building Structure (HomeGuard® Weather Barrier System) in accordance with applicable HomeGuard® installation procedures, accepted industry standards and applicable building codes in a properly constructed and designed wall system, and a HomeGuard® Product fails within 10 years of the installation date to meet the published specifications at the time of installation, HomeGuard® Building Products, Inc. will provide replacement material and reasonable labor costs to correct the problem found to be caused solely by the failure of HomeGuard® Products as expressly warranted above
