TITAN® COMMERCIAL BUILDING WRAP

WHY CHOOSE US?

Our Titan® Commercial is CCMC Certified, as an air barrier and sheathing membrane. The value of Titan® products goes beyond what any competition will be able to offer. Titan® supports and promotes the businesses of our customers by providing low minimum order requirements, short lead times, industry-leading warranties, and extremely competitive pricing!

ROLL SIZE & MINIMUM ORDER QTY.

10' X 100' - 50 ROLLS/PALLET

PRIVATE LABEL

Custom printing of our well-known and well-respected Titan® Housewrap with a minimum order of 1 pallet. If your building project needs custom print, contact us for an order tailored to you and your individual needs.

Private labeling ensures you and your contractors can showcase your brand and optimize the marketing potential in your region.

LIMITED LIFETIME WARRANTY

Combining Titan® Protective Housewrap with our HomeGuard® Synthetic Flashing, we create an energy efficient weather barrier system backed by a limited lifetime warranty. HomeGuard® Synthetic Flashing is a high performance self-adhered window and door flashing tape, designed with an applicator temperature ranging from -29 degrees Fahrenheit to extreme heat. It is compatible with all sealants and caulking.
